Dear Sirs

Excel Aviation Limited - In Administration (the Company) Administrators' Progress Report

As you may be aware Alastair Beveridge, Nick Cropper, Simon Appell and I were appointed Joint Administrators of the Company on 12 September 2008 by the High Court, Chancery Division, Companies Court. From 1 January 2009 Alastair Beveridge, Simon Appell, Nick Cropper and I are now licensed by the Insolvency Practitioners Association (IPA).

Please find attached a formal notice and detailed report covering progress in the Administration during the six month period ended 11 March 2009.

Please note that it is a statutory requirement for the Joint Administrators to prepare and make available for all actual and potential creditors of the Company a Progress Report. However, for those passengers who have submitted claims for refunds to the Civil Aviation Authority under the ATOL scheme, to their credit card company or through an insurance company THIS IS FOR INFORMATION ONLY and DOES NOT affect your claim in any way.

Further update as at 3 April 2009

In order to minimise costs (printing and postage) to the creditors, the Joint Administrators applied to Court on 3 April 2009, to release them from their statutory obligations of sending to all known creditors (of which there is approximately 144,000) the following documents:

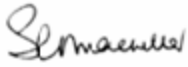

- Notices of the result of any meetings of creditors
- Progress reports to creditors
- Any notice of intention to declare and distribute a dividend
- Any notice of automatic end of Administration
- Any notice of moving from Administration to Creditors' Voluntary Liquidation
- Any notice of moving from Administration to Dissolution

Registrar Derrett of The High Court of Justice, Chancery Division, Companies Court granted the Joint Administrators' application and ordered that the Joint Administrators publish the relevant creditor information, instead of mailing hard copies to creditors.

Accordingly, for the purposes of this and future creditor communication, the Joint Administrators will publish all documents on the www.xladministration.com website and will provide a helpline for creditors to request information free of charge. The helpline number is 0800 068 8991.

Please also note that following the recent completion of a Management Buy-Out (MBO) by the partner group of Kroll's UK Corporate Advisory and Business Recovery practice from Kroll Inc, we will be operating under the Zolfo Cooper brand name going forward. Zolfo Cooper Europe will continue to be headquartered at 10 Fleet Place, London EC4M 7RB with our existing network of UK offices remaining in their current locations.

Yours faithfully
For and on behalf of

2 Progress of the Administration

Overall Administration Progress for the Companies

- 2.1 Since the date of my last report, I have continued to facilitate a controlled and orderly wind down of the operations of all of the Companies which entered Administration.
- 2.2 I have proceeded to realise the various assets held across the Companies which include agency and trade debtors totalling in excess of £15 million excluding intercompany debts, the brands, trademarks and intellectual property of the major trading entities, prepayments relating to airport charges, fuel and insurance, six freehold properties and aircraft stock.
- 2.3 A considerable amount of time has also been spent liaising and corresponding with the Companies' stakeholders and in particular in relation to the substantial telephone and written queries received from customers with regard to their pre-booked holidays which were unfortunately cancelled as a result of the Administrations. I have liaised extensively with the Civil Aviation Authority (**CAA**) and credit card providers to ensure that any information they have required relating to customer bookings has been provided swiftly, efficiently and accurately.
- 2.4 There has also been a large volume of correspondence received from former employees with regard to their redundancy and preferential claims, requests for access to training records and files and also with a view to obtaining references for their new employers.

- 2.5 As you are aware, the Companies' IT systems were complex and data was held across seven separate IT systems and packages, some of which were hosted by external providers. The operations of the Companies were heavily reliant on these systems, such as customer booking systems, finance systems and aircraft maintenance systems. As such, a managed shut down and decommissioning strategy of over 100 servers has had to be undertaken together with IT consultants and former third party service providers to the Companies. I can confirm that the shut down strategy is in its final stage.
- 2.6 An operation to box up the Companies' books and records which were held across various national locations has also been undertaken and a small number of former employees were initially retained on a consultancy basis to assist with this process. There are now in excess of 5,000 boxes of books and records held at a storage facility in Leeds.
- 2.7 In order to minimise costs (printing and postage) to the creditors, the Joint Administrators applied to Court on 3 April 2009, to be released from the statutory obligations of sending to all known creditors (of which there is approximately 144,000) the following documents;
- Notices of the result of any meetings of creditors
 - Progress reports to creditors
 - Any notice of intention to declare and distribute a dividend
 - Any notice of automatic end of Administration
 - Any notice of moving from Administration to Creditors' Voluntary Liquidation
 - Any notice of moving from Administration to Dissolution

Registrar Derrett of The High Court of Justice, Chancery Division, Companies Court granted the Joint Administrators' application and ordered that the Joint Administrators publish the relevant creditor information, instead of mailing hard copies to creditors. Accordingly, for the purposes of this and future creditor communication, the Joint Administrators will publish all documents on the www.xladministration.com website and will provide a helpline for creditors to request information free of charge. The helpline number is 0800 068 8991.

Administration Progress for the Company

- 2.8 The Company was an aircraft chartering business, which serviced primarily the flight requirements of the Group's tour operators and third party travel agents; however it also chartered to some of its UK tour operator competitors. The Company was a significant trading entity, with an annual turnover of approximately £62 million.

Employees

- 2.9 As you are aware from my previous report, prior to appointment the Company employed eight employees and subsequently upon appointment five employees were made redundant. The three remaining employees were initially retained to assist with the controlled wind down of operations however I can confirm that all employees had been made redundant as of 31 October 2008.
- 2.10 A small number of former employees were employed on a consultancy basis to assist with book debt collection, the archiving of the books and records and the decommissioning of the IT systems, details of these employees can be found in Appendix D of this report.
- 2.11 Attached at Appendix B is my Receipts and Payments Account for the period from 12 September 2008 to 11 March 2009.

Straumur funding

- 2.12 As you are aware upon appointment the Company entered into a funding agreement with Straumur-Burðarás Investment Bank hf. (**Straumur**) which allowed the Company access to loan funding to ensure a controlled wind down of the operations could be affected whilst the assets of the Company were realised. To date £50,000 has been received from Straumur and these sums are to be repaid from asset realisations from the Company's estate prior to any distribution to the creditors of the Company subject to there being sufficient realisations available.

Shareholding

- 2.13 The Company owned a 20 per cent shareholding in Allbury Travel Group (**Allbury**) and following negotiations, I can confirm that £60,000 has been received in relation to a sale of the shares and a settlement of debts owed to the Company from Allbury. As part of the agreement the customer database of Kosmar Villa Holidays plc (**Kosmar**), also in Administration, was sold to Allbury. Kosmar's customer database was owned by The Really Great Holiday Company plc (**RGH**), also in Administration, and the proceeds attributable to the database were transferred to the RGH Administration estate.

Ministry of Defence

- 2.14 £129,500 was realised from a contract the Company held with the Ministry of Defence (**MOD**) to provide charter flights to various worldwide destinations.

Cash at bank

- 2.15 As expected, the Company's pre-appointment credit bank account balances were subject to set off by the relevant Banks with whom these accounts were held, and thus realisations have been £nil. I do not envisage future realisations from this source.
- 2.16 £1,651 has been received in relation to bank interest on monies held in the Administration bank accounts.

Sundry refunds

- 2.17 Sundry refunds totalling £48.18 have been received.
- 2.18 In accordance with Statement of Insolvency Practice No 13 (SIP13), I would advise you that no assets were sold to a Director of the Company.

3 Assets still to be Realised

Debtors

- 3.1 The Company's debtor ledger consisted of balances due in respect of airplane charters, rebate claims and sundry refunds. After adjusting the ledger for credit amounts and inter-company debts, the outstanding balance at the date of my appointment was £2,375,000.
- 3.2 From my further investigations it was established that £2,258,000 was owed from Priceright Aviation (**Priceright**) and I thus began to pursue recovery of this debt. Although no formal response has been received from Priceright, I have been advised that the debt is disputed in its entirety. As a result I am currently undertaking a review of the Company's debtor ledger records in order to substantiate and understand the particulars of the amount owed from Priceright. Based on present information it is possible that legal action may have to be taken in order to recover the debt however given the current uncertainty I am unable to accurately estimate the level of potential realisations from this source.
- 3.3 From the remaining debts which total £117,000, to date £50,810 has been realised. I continue to pursue the residual balance of £66,190 however based on the initial correspondence which has been received, the majority of the debts are disputed and I do not therefore anticipate any further recoveries.

Intercompany debts

- 3.4 As per my last report, it is believed that the Company is due funds from intercompany debts. However, the amount realised will be dependent upon whether the level of

realisations in the debtor company are sufficient to enable a distribution to its unsecured creditors. If an unsecured distribution is made, the level of realisation is likely to be negligible and is likely only to represent a minimal amount of the intercompany debt which is owed.

4 Joint Administrators' Remuneration

- 4.1 Creditors approved that the basis of the Joint Administrators' remuneration be fixed by reference to the time properly spent by them and their staff in managing the Administration.
- 4.2 The Joint Administrators' time costs at 11 March 2009 are £101,329. This represents 389 hours at an average rate of £261 per hour. Attached as Appendix C is a Time Analysis which provides details of the activity costs incurred by staff grade during this period. To date £79,420 plus disbursements of £2,486 have been drawn on account.
- 4.3 Attached as Appendix D is additional information in relation to our policy on staffing, the use of sub-contractors, disbursements and details of our current charge-out rates by staff grade.

Administration and Planning

The time recorded here reflects the statutory duties of the Joint Administrators including initial notification to creditors and the preparation of creditor reports. In addition, it covers the time spent formulating the strategy of the Administration, internal meetings and case related travel time.

Investigations

This section relates to time spent investigating the conduct and actions of the Company's Directors prior to appointment.

Realisation of Assets - Fixed Charge

This refers to time spent dealing with the sale of the Company's fixed charge assets which includes instructing agents, obtaining initial valuations and conducting negotiations with interested parties.

Realisation of Assets - Debtors

The work involved within this area covers the extensive time taken to reconcile the Company's debtor ledger to the date of appointment and the subsequent actions required to recover the book debts.

Realisation of Assets - Floating Charge

This refers to time spent dealing with the sale of the Company's floating charge assets which includes instructing agents, obtaining initial valuations and negotiations with interested parties. In particular, this section includes the extensive amount of due diligence and time connected with the marketing and potential sale of the Company's brands.

Trading

The time recorded here includes the ongoing day to day management and wind down of the Company, along with preparation of cash flow forecasts and maintaining funding requirements. This reflects the time spent reconciling and finalising the accounts and ledgers to the date of the appointment and ensuring that a potential sale of the Company's assets and brands would not be jeopardised.

Creditors

This area reflects the time incurred dealing with the large volume of both customer and trade creditors of the Company, including telephone calls and emails, which were substantial. The time spent dealing with employees is also recorded here.

5 Estimated Outcome for Creditors

- 5.1 The Company granted fixed and floating charges to Straumur on 18 August 2008.
- 5.2 Straumur's fixed charge is supported by a cross guarantee provided by all of the Companies with the exception of Kosmar Villa Holidays plc.
- 5.3 There may be sufficient funds remaining after professional costs from fixed charge realisations to enable a distribution to Straumur under its fixed charge.
- 5.4 Based on current information the preferential claims against the Company relating to employees' arrears of wages and holiday pay are estimated at £6,750. The Redundancy Payments Office (RPO) has yet to submit its preferential claim but I anticipate that this will be received shortly.

- 5.5 It is believed that based upon the current estimated financial position the net realisations within the Administration may be sufficient to enable a distribution to the preferential creditors. However, this cannot be confirmed until all assets have been realised and the Administration finalised.
- 5.6 As you are aware, the Company granted the floating charge to Straumur within 12 months of the commencement of the Administration and since no new monies were advanced to the Company following the registration of Straumur's charge, it is believed that the floating element of the charge is invalid in accordance with Section 245 of the Act.
- 5.7 As per the Directors' Statement of Affairs the amount owed to the unsecured creditors is estimated at £199,973,029.
- 5.8 As Straumur's floating charge post-dates the introduction of the Enterprise Act 2002 on 15 September 2003, ordinarily there would be a requirement to set aside an "Unsecured Creditors' Fund". In these circumstances, the Joint Administrators would have an obligation to ring fence a proportion of the floating charge realisations for unsecured creditors under S176A (2) of the Act. These funds are called the Prescribed Part. However as detailed above in Section 5.6 Straumur's floating charge is deemed invalid and therefore the Prescribed Part does not apply.
- 5.9 Based upon the current estimated financial position it is believed that the net realisations within the Administration will be insufficient to enable a distribution to the unsecured creditors.

6 Ending the Administration

- 6.1 Based on present information, the Joint Administrators believe that there will be insufficient net realisations to enable a dividend to be paid to the Company's unsecured creditors. In this scenario, a notice will be filed together with a final progress report at Court and with the Registrar of Companies for the dissolution of the Company. Copies of these documents will be published on the www.xladministration.com website. The appointment will end following the registration of the notice by the Registrar of Companies.
- 6.2 Alternatively, if having realised the assets of the Company, the Joint Administrators subsequently establish that a dividend may be payable to the unsecured creditors of the Company, a notice will be filed with the Registrar of Companies in order that the Administration will cease and the Company will move automatically into Creditors

Voluntary Liquidation (CVL) in order to make the distribution. The Joint Administrators will also become the Joint Liquidators of the CVL.

- 6.3 The Joint Administrators will be discharged from liability under Paragraph 98 of Schedule B1 of the Act immediately upon their appointment as Administrators ceasing to have effect.

7 Next Report

- 7.1 The Joint Administrators are required to provide a progress report within one month of the end of the next six months of the Administration or earlier if the Administration has been finalised. All future reports will be available on the www.xladministration.com website.

Additional Information in Relation to Administrators' Fees Pursuant to Statement of Insolvency Practice 9

1 Policy

Detailed below is Zolfo Cooper's policy in relation to:

- staff allocation and the use of sub-contractors;
- professional advisors; and
- disbursements.

1.1 Staff Allocation and the use of Sub-contractors

Our general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The constitution of the case team will usually consist of a Partner, Senior Associate, Associate and Analyst. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment. On larger, more complex cases, several staff at all grades may be allocated to meet the demands of the case. Our charge out rate schedule below provides details of all grades of staff and their experience level.

With regard to support staff, we would advise that time spent by cashiers in relation to specific tasks on an assignment is charged. Only if there is a large block of time incurred by a member of the secretarial team, eg, report compilation and distribution, do we seek to charge and recover our time in this regard.

The services of the following sub-contractors have been used in this case:

Name of Sub-Contractor	Basis of Fee Arrangement
M. Nurse	Hourly rate and expenses
G. Harper	Hourly rate and expenses
S. Broad	Hourly rate and expenses

1.2 **Professional Advisors**

On this assignment we have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.

Name of Professional Advisor	Basis of Fee Arrangement

1.3 **Disbursements**

Category 1 disbursements do not require approval by creditors. The type of disbursements that may be charged as a Category 1 disbursement to a case generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, room hire and document storage. Also chargeable will be any properly reimbursed expenses incurred by personnel in connection with the case.

Category 2 disbursements do require prior approval by creditors before they are paid and whilst it is unlikely that any Category 2 disbursements will be incurred on the case, appropriate approval will be sought before any such expenses are paid.
